

ROZE DON

SPANISH TOWN, JAMAICA / MODERN DANCEHALL

SPANISH TOWN ROOTS. HIS OWN LANE.

Raised in Central Village, Spanish Town, Jamaica, Roze Don developed his voice through freestyles and early recordings. His sound pairs direct lyricism with upbeat rhythms, carrying the energy of his hometown into modern dancehall.

With songs including Bakshat, Unch It, First Night and Physically Fit, his catalog moves between party anthems and the raw edge of dancehall. Behind the music is a jovial, down-to-earth artist with a clear purpose: connect with people, represent where he comes from and build a lasting legacy.
